Alexander McCall

We have nothing on Alexander's birth. However, the following may help future researchers:

Notes (con't)

NOTES: Westchester County, New York (Currently "The Bronx")

- Thomas McCall; died, 1849, aged 79 years.

Alexander McCall was born in Westchester County in 1810...math seems right.....

Margaret Vandecar

I have opted to show that she died on 2 Jun 1859 based on the data of other researchers. However, the 1870 census clearly shows her living in Croton, Newaygo, Michigan, United States. While census data is notoriously inaccurate, I find it difficult to believe that someone would list an individual reportedly deceased for 11+ years.

Francis R. McCall

Wife's name (1870 census) Sarah J. Surname unknown as of 4/8/07

1910 Census: we have a Francis McCall, b Canada, Age 70, in Tyrone Twp, Kent County, MI, w/ wife Christine, Age 68, from Pennsylvania. Also listed Son, Frank C (?) Age 35; Daughter Mary, Age 22; Son Floyd (?), Age 13.

Did not find Francis in 1920 census.

Mary Elizabeth McCall

The Canadian Census, 1911, shows Elizabeth Beach living with Blake Monroe & Sarah Ann Beach Duffie. Elizabeth is indexed by ancestry.com as Elizabeth Bach.
